GALVANIZED

SOLID SIDES

SINGLE

TANDEM

Compact trailers are ideal for hauling lumber, doing landscaping work, fishing, hunting, etc. They're easy to handle and great for transporting materials, bulky items, equipment and your ATV.

Choose the tandem model for the bigger loads or the single-axle model for smaller ones.

The fold-down front panel makes it easy to load long objects, while the bifold ramp is ideal for loading your ATV.

SIZE	
Interior (length x width x height)	99" x 56" x 20"
